Welcome!

The East Shore of Kootenay Lake
A cultural map of this beautiful place we call home.
Welcome!

This handy guide to the East Shore of Kootenay Lake is born of a desire to welcome new residents and continue to attract and engage residents who will love this place as much as we do.

The East Shore of Kootenay Lake/Wynndel is officially known as Area A of Regional District of Central Kootenay (RDCK).

Area A is made up of small communities or neighbourhoods along Highway 3A, across the Kootenay Lake Ferry between Kootenay Bay and Creston:

Riondel in the north, Kootenay Bay, Crawford Bay, Gray Creek, Mountain Shores, Boswell, Akokli Creek, Sanca, Twin Bays, Armstrong Bay, Sirdar, Kuskanook, and Wynndel in the south. (this is not an exhaustive list)

Our communities are made up of active, healthy, engaged residents- we encourage you to join in, stay active, eat good food, create culture, relax and be yourself.
